PORT STRIKE – CHILE: ENDED

We are pleased to advise the Chile port strike has ended that was affecting six Chilean ports. Activities will be gradually resuming at all ports. There will be short backlog of cargo, but they expect all operations to be up-to-date soon.

PORT STRIKE – HONG KONG: BACKLOG

The demonstrations continue outside the HIT Hong Kong terminal, but the terminal is operating. Ocean carriers are quoting 24 to 36 hours backlog of vessels at other terminals in Hong Kong.

Thank you for your continued support.
